

Applications:

Solicited proposals preferred, but proposals are accepted and encouraged to be turned in earlier in the calendar year.

Building Communities and Entrepreneurs:

Grants are made to reinforce community-led efforts to revitalize low-income neighborhoods in Citigroup communities worldwide. The foundation seeks to support community development corporations, intermediary organizations and community development financial institutions that focus on affordable housing, economic development, welfare-to-work initiatives, community infrastructure improvements and environmentally sustainable growth to local economies. Grants are also made to support community-based health and human services programs and disaster relief efforts.
